Lily Entry Table & Desk

Dimensions:

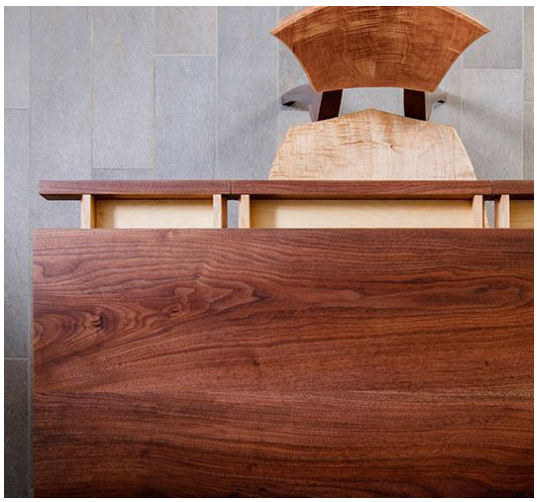
The table and desk may be built to your desired size.

Description: The Lily Entry Table promotes clean open space that breathes fresh air and calmness into the room. Its cantilevered design performs an aesthetic feat that should seem impossible, yet whispers, “Look what I can do!”.

Our Lily desk provides an extraordinary accent in any foyer, bedroom, or small office. A writing desk with a minimalist footprint, this piece is complemented beautifully by one of our Lily chairs.

Designed by Brian Boggs

Proudly handmade in Asheville, North Carolina, USA

Construction Details: We construct all of our table tops from carefully selected logs sawn to our specifications.


Materials: These pieces may be constructed using any of our North American wood species.
